

# STYLE EDIT TEMPORARY COVERAGE ADD-ONS

## STYLE EDIT ROOT CONCEALER SPRAY

Instantly covers roots and grays with a natural, fuller-looking finish. Color-adaptive pigments reduce scalp contrast for the appearance of thicker hair. Precise, quick-drying, no flaking. Shampoos out easily.

### GREAT FOR:

- Root blending
- Adding soft highlights/lowlights
- Filling in thin areas

\$\_\_\_\_\_

## STYLE EDIT TOUCH-UP POWDER

Lightweight powder that delivers seamless, natural root coverage in seconds. No dust or mess. Buildable and lasts until shampooed out.

### GREAT FOR:

- Soft, natural gray coverage
- Thickening the part line
- Polishing the hairline
- Quick refreshes anytime

\$\_\_\_\_\_

## STYLE EDIT COVER-UP STICK

Targeted, non-waxy coverage for stubborn regrowth. Perfect for temples, hairline, and brows. Smooth, shiny finish with zero dry time.

### GREAT FOR:

- Precision root coverage
- Brow touch-ups
- Spot-correcting regrowth

\$\_\_\_\_\_

## STYLE EDIT EXPRESS ROOT & DENSITY PERFECTING SERVICE

A fast, non-chemical color refresh using professional concealer spray, touch-up powder, or cover-up stick—custom-blended to your needs. Instantly softens grays, blends roots, enhances density at the part or hairline, and refines overall finish. Ideal before events, photos, or as a quick confidence boost. Washes out easily until next shampoo.

### INCLUDES:

- Custom consultation to select spray, powder, stick—or a combination
- Precision application for roots, hairline, and/or thinning areas
- Seamless blending for natural dimension and fullness
- Finish style refresher
