

YOUR GUIDE TO STYLE EDIT ROOT CONCEALERS

Style Edit's three root concealer essentials are designed to tackle every coverage need—whether it's quick touch-ups, precision fixes, or all-over color rescue. Flawless results, made easy.

1

Targeted tip

ROOT COVER-UP STICK

The Root Cover-Up Stick offers targeted precision for hairlines and stubborn grays, gliding on smoothly with a natural finish.

Sponge tip for blending

Long flat nozzle for targeted areas

2

ROOT TOUCH-UP SPRAY

The Touch-Up Spray effortlessly covers larger areas, making it ideal for thicker hair. Its lightweight, buildable formula ensures a natural finish without the sticky residue.

3

ROOT TOUCH-UP POWDER

The ultra-light Touch-Up Powder provides buildable coverage, perfect for diffusing regrowth along the part or crown. Ideal for targeted areas like the temples or part line.
